I joined Subsea Offshore in July 1981 as an ROV Pilot/Tehnician.
In March 1982 I was promoted to Operations Controller (ROV Supervisor). I continued to work for Subsea Offshore and in May 1986 was promoted to Senior Operations Controller (Senior ROV Supervisor).
June 1992 commenced work as an ROV Operations Contractor in order to gain wider experience of the ROV Industry.

I have experience in all of the following sectors:

Construction: Survey (Pipelines, Structures & Seabed, including Wind Farm): Trenching (Pipe and Cable):
Deep Water Salvage: EOD (Bomb/Mine Disposal): Demolition: Diving Operations Support:
Sub Sea Telephone Cable (Repair and Installation): Drilling Rig Support:
This includes: Operation and maintenance of Remotely Operated Vehicles (ROV) systems.
Control of ship deployment and positioning:
Liaising with Clients/Client Representatives:
Close support of air and saturation diving operations:
Demolition Support (**PIPER ALPHA TOPPLING PROJECT, 1988/89**
JULY-6 PLATFORM TOPPLING PROJECT, Gulf of Suez 2010):
Supervision of Personnel - (working a 24 hour coverage shift pattern):
Rectification of faults on electronic control systems:
Electrical and Hydraulic system maintenance, (including winches and cranes):
Maintenance to Subsea Cameras (Video) and Sonar systems:
Responsible for spares and stores inventory, reporting and ancillary documentation:
Basic seamanship: Piloting of ROV's (Various types), operating winches and cranes:
Video recording and editing: Video commentary:
Very familiar with windows based software:

I have operated/maintained the following Work Class ROV systems:

TREC, SCORPIO, SUPER SCORPIO, SCORPION, S.C.V., SCV 3000, HYDRA, CHALLENGER, MAGELLAN 160,
PIONEER, TRITON, SEA DEMON, SEA LION, TROJAN, TRITON XL, TRITON ST, CLANSMAN, CENTURION,
M.R.V., VENTURER, WARRIOR, TRITON XLS, TRITON MRV, TRITON XLX, SMD QUANTUM, SMD QUASAR.
Schilling UHD, SWIFT, COMANCHE,

Inspection/Eyeball ROV systems:

RCV225, SCORPEE, SPRINT, VOYAGER, RECON, SEA EYE 600, SEA PUP, SEA OWL, APACHE, MOHICAN,
COMANCHE, ACHILLE, SEA EYE TIGER, SEA EYE PUMA, SEA EYE COUGAR, SEA EYE PANTHER,
SEA EYE PANTHER XT, SEAEYE COUGAR XT.

Trenching ROV systems:

MAKO, TRENCHER, SCARAB 1, EUREKA, BARACUDA, S.V.4(TRITON 23), CIRRUS B, SUBTRAK, FLEXJET,
TRITON ST 2000, ROV 128, CMROV, C-TRENCHER, CAPJET 650 Mk 1 & 2.

Deep Water Salvage systems:

GRAB 6000

I hold the following certificates:

UK & Norwegian Offshore Survival and Firefighting Course
(including practical HUET) Cert No. AB01910198330
GWO Basic Safety Training - Certificate No. 7077030
High Voltage Equipment Certificate: Cert No. HA0020
Freefall Lifeboat (FF-45) (45 Metres) Course
Air Pocket Dry Trainer User Course. Cert No. 21843
Minimum Industry Safety Training (MIST)
Abrasive Wheel Training Certificate
Compressed Air emergency Breathing System - 5902
